Dear sir(s)

The Allen Parish Fire Protection District #4 is a public volunteer fire department in the Parish of Allen. Our part-time Fire Chief resigned from his position on April 15, 2021. We are requesting the Advisory Board to consider an exception on the code of ethics to allow this position to be filled by a previous board member. This board member was and is currently serving as our Assistant Chief. He resigned from the Board prior to the Chief leaving. The Assistant Chief is the most qualified and could fill the position immediately. Considering the nature of the services this Fire Department provides, operating without a Chief is a risk to the community and the volunteers in the department. It is imperative that we fill this vacancy quickly. The Chief must live in the district to qualify for the job and be an active member of the volunteer fire department. These requirements make the pool of potential candidates very slim. Please advise whether an exception can be made in this case. Thank you in advance for your consideration in this matter.
